BAS-2 Instructions

No Fees Due If You Are:

(Check One)

- ☐ An Interstate carrier not based in Indiana and have paid the fees through the SSRS Attach a copy of your 2001 registration receipt (RS-3) from your base state.
- ☐ A Private carrier of non-hazardous materials and/or private passengers carriers.

- ◆ Any Indiana intrastate carrier required to obtain an Indiana USDOT number and/or Indiana ID number and file proof of insurance is also required to calculate and pay a \$10 per vehicle fee.
- ◆ Check either the “Original” or “Supplemental” box in the upper right hand corner of the form. If this is your original registration for the year, *attach the BAS-2 to your BAS-1*. If this is a supplemental registration of additional vehicles or states, *do not complete another BAS-1*.
- ◆ Enter your legal name and DBA (“Doing Business As”) name, as well as your USDOT Indiana ID number, FHWA/ICC-MC Number, and FEIN/SSN number in the top portion of this form.
- ◆ Indicate what you are transporting.
- ◆ Calculate your fees by multiplying the vehicles traveling in each state by the corresponding fee.
- ◆ There are certain states on your BAS-2 that do not show a fee amount. This is because the fee amount depends on the type of transportation in that particular state. Refer to the chart below to find the amount of the fee.

State	Passengers, Charter	Passengers, Regular Route	Property
Connecticut	.00	.00	\$10.00
Louisiana	.00	\$10.00	\$10.00
Massachusetts	.00	.00	\$1.00
Maine	.00	.00	\$8.00
Nebraska	.00	.00	.50
Ohio	.00	.00	\$5.00
Virginia	\$3.00	\$3.00	\$10.00
Washington	\$10.00	.00	\$10.00
Wisconsin	.00	\$5.00	\$5.00

- ◆ Enter the fee amount in Column C for that state and proceed with your calculations.
- ◆ If your base state is not a participant in the SSRS program, and you choose to file your SSRS returns in Indiana, use the Form BAS-2A.
- ◆ The total fee per state is entered in Column D, and the total fees for all states are entered at the bottom of Column D.
